

Standard FieldAccess™ Terms of Service

1. Definitions. All capitalized terms not defined herein shall have the meanings set forth in the Agreement.

Agreement: definitive agreement entered into by the Parties, these Terms, and any written amendments and attachments thereto. The Agreement may include a Harris CapRock quotation or proposal that has been accepted by Customer.

Applicable Laws: all applicable federal, state, local and foreign laws, rules and regulations, including the United States Foreign Corrupt Practices Act, as amended, and the requirements of any regulatory agency or other competent authority, including those relating to the operation of the Equipment within each applicable jurisdiction and geographic operating region.

Harris CapRock: Harris CapRock Communications, Inc.

Harris CapRock Rates: Harris CapRock's time and materials rates in effect from time to time and all third party expenses which are billed to Customer at cost plus 15% administrative fee. Harris CapRock Rates are subject to change from time to time by Harris CapRock.

Harris CapRock's Policies: Harris CapRock's Acceptable Use Policy and Fair Access Policy, which appear on Harris CapRock's website at http://www.harriscaprock.com/terms_list.htm.

Coverage Period: the period commencing upon delivery of the Equipment to Customer at the Ex-Works Site and terminating upon return of the Equipment to the Ex-Works Site.

Customer: any person or entity entering into an Agreement with Harris CapRock or to which Harris CapRock provides Services under a quotation or proposal.

Customer Equipment Events: collectively, (i) improper or unauthorized use of the Equipment or use not in accordance with Harris CapRock's and/or the manufacturer's instructions and specifications, (ii) use of the Equipment in other than its intended manner, (iii) installation, de-installation, moving, removal, modification and/or maintenance of the Equipment, if such activities were not performed by Harris CapRock or were performed without prior written authorization from Harris CapRock, (iv) loss or damage due to Force Majeure events or (v) damage to Equipment caused by persons other than Harris CapRock technicians or Harris CapRock provided personnel.

Equipment: equipment to be provided to Customer as part of Services.

Equipment Location: the location(s) of Customer specified in the Agreement.

Ex-Works Site: Harris CapRock facility at which Equipment is delivered to Customer.

Lien: liens, charges, encumbrances or other claims which may attach to any part of the Equipment (except any placed thereon by Harris CapRock).

Losses: losses, claims, demands, injuries, causes of action, liabilities and expenses (including attorneys' fees and costs) of any nature.

Minimum Term: the term, as set forth in the Agreement, including any renewals, during which Harris CapRock will provide Services. Unless otherwise stated in the Agreement, the Minimum Term will automatically renew on a month-to-month basis at monthly pricing unless either Party provides written notice to the other Party no less than thirty (30) days prior to the end of the applicable term.

Service Charges: monthly recurring charges for Services and other monthly recurring charges.

Service Level Agreement: Service Level Agreement, if any, attached as an exhibit to, or incorporated into, the Agreement.

Services: satellite communication services and related or other services to be provided by Harris CapRock, as set forth in the relevant Agreement.

Taxes: all applicable federal, state, local and foreign taxes or assessments, including value added, sales, use and excise taxes, universal service fund or other similar telecommunication assessments and any other fees or assessments (other than taxes or assessments based on Harris CapRock's income).

Terms: these Standard Terms of Service. "Hereof", "hereto" and "hereunder" and similar expressions mean and refer to these Terms and not to any particular section. "Section" means and refers to the specified section of these Terms.

Third Party Terms: terms of third party suppliers that govern the use of such third party's services.

2. Priority of Terms. Except as set forth in the Agreement, Harris CapRock's provision of Services and Equipment is subject to these Terms, the availability of Equipment and space segment, and applicable Third Party Terms. Customer agrees that these Terms shall control over any inconsistent or additional term of Customer, and that these Terms may not be amended, waived or modified except by a written document signed by Harris CapRock. Harris CapRock is not obligated to provide Services until Customer has signed an Agreement. If Harris CapRock provides Services prior to execution of an Agreement, Harris CapRock reserves the right to invoice Customer at Harris CapRock's monthly rate.

3. Taxes. Customer agrees to pay all Service Charges and other charges to Harris CapRock free and clear of all applicable Taxes, so that the net amount received by Harris CapRock for Services is equivalent to the amount Harris CapRock would have received had no Taxes been imposed. In addition, Customer agrees to pay all Taxes, surcharges, long distance charges, Public Switched Telephone Network access fees, backhaul and other such charges. If, prior to commencement of Services, Customer provides Harris CapRock with a duly authorized exemption certificate, Harris CapRock will exempt Customer from only the affected Taxes in accordance with Applicable Law and such certificate during the period of exemption. Customer agrees to timely pay, and to indemnify, defend and hold Harris CapRock harmless against any and all Losses arising from Customer's failure to comply with this Section.

4. Services.

(a) Use of Services. Customer acknowledges and agrees that use of Services is subject to and will comply with Harris CapRock's Policies. Harris CapRock reserves the right to immediately suspend or terminate use of Services for, and Customer agrees to indemnify, defend and hold harmless Harris CapRock for any Losses arising out of Customer's violation or alleged violation of this Section.

(b) Location of Services. In accordance with the Service Level Agreement, Customer will notify Harris CapRock of any move of the Equipment Location that may affect Services. Harris CapRock reserves the right to invoice Customer for, and Customer agrees to pay, Harris CapRock's charges for assistance that may be incurred in connection with Customer's move of the Equipment Location within any region that may affect Services. Unless otherwise expressly provided in the Agreement, Services are limited to the "Geographical Area of Service" or region set forth in the Agreement. If, during the Minimum Term, Customer desires to move the location where Services are being received by Customer to a different area outside of the Geographical Area of Service or region specified in the Agreement, Customer shall notify Harris CapRock at least thirty (30) days prior to such contemplated move so that the parties can promptly discuss the potential impact of such move on the ability to continue to provide Services (e.g., satellite coverage availability, technical and operational requirements, and licensing requirements) and on the associated pricing of Services and costs related to the move. Customer's obligation to pay the charges for Services shall not be affected during this period. If it is determined that Services can be continued during and/or after the move, the pricing and costs for Services shall be adjusted to adequately compensate Harris CapRock for the change in location and Services related thereto, and Customer will execute any necessary amendments to effect such adjustments. If it is determined by Harris CapRock that Services cannot be continued after such move, then Harris CapRock may terminate the Agreement upon notice to Customer as though an event had occurred under Section 14(c)(i) without the requirement of an additional notice or cure period. Upon any such termination, Customer shall pay the amounts invoiced under Section 14(c) and ensure that the Equipment is returned to Harris CapRock in accordance with Section 14(e).

(c) Special Services. Harris CapRock does not guarantee the accuracy of its **AssetTrax™** service, or any other global positioning system services or like services that may be part of Services ordered by Customer. Harris CapRock shall not be liable for any losses, either direct or indirect, that may arise out of Customer's use of such services. As a condition to the delivery of the Services, Harris CapRock's **SafePass™** web content filtering shall be activated at all times. Harris CapRock hereby grants Customer a non-exclusive, limited, non-transferable license to use Harris CapRock's SafePass™ Service solely for its own internal purposes on computer workstations at the Equipment Location, but subject to any limitation on the total number of computer workstations that are allowed to use such Service. Customer will be responsible for using reasonable efforts to ensure that all of its workstations and systems where such Service will be applied are clean from all known viruses or malware prior to provision of such Service, and will not use any device, software or routine to interfere or attempt to interfere with the proper working of such Service. Harris CapRock warrants that it will use reasonable care and diligence to make such Service substantially conform in all material respects with the written specifications as to the Service that are provided to Customer in this Agreement. **However, Harris CapRock cannot warrant that such Service will be uninterrupted or error-free, and hereby disclaims all warranties (except for the warranty provided above), express or implied with respect to such Service, including warranties of merchantability or**

fitness for a particular purpose. To the maximum extent permitted by Applicable Laws, neither Harris CapRock, any of its licensors or suppliers, nor Customer or its or their affiliates, will have any liability for any direct, indirect, incidental, special, punitive or consequential loss, damage or injury, including claims from third parties, which may arise out of or in connection with the supply or use of (or inability to use) such Service or any system that enables access to the internet or which are caused by such Service not properly performing.

5. Equipment.

(a) Title. Harris CapRock retains title to all Equipment; however, Customer is entitled to use the Equipment in accordance with these Terms solely to enable Customer to receive the benefits of Services. Upon request, Customer agrees to execute any documents necessary to perfect Harris CapRock's interest in the Equipment. Customer shall not allow any Liens to attach to any part of the Equipment. If a Lien is attached to the Equipment, Customer shall promptly release or discharge same by payment, bonding or otherwise, and shall defend, indemnify and hold Harris CapRock harmless against any Losses caused thereby.

(b) Testing; Care and Use. After installation of Equipment, Harris CapRock technical personnel will perform a series of tests (collectively, the "line-up tests") to verify that the circuit(s) installed meet the appropriate service standards. Services will not be available for Customer's use until the line-up tests are successfully completed. Line-up tests will take no more than 48 hours for each circuit if each test is successfully completed, and none have to be repeated. If Customer interferes with or terminates the line-up tests prior to completion, Harris CapRock's Equipment repair and warranty obligations and service level commitments in the Agreement will not apply and be effective unless and until the line-up tests have been successfully completed, and all charges and costs associated with the termination, reinstatement and completion of the line-up tests shall be for Customer's account. Customer shall ensure that (i) the Equipment is used in the regular course of its business and in accordance with Harris CapRock's and the manufacturer's operating specifications, (ii) Equipment is kept and operated in an environment suitable for its intended use (e.g., the indoor units must be kept in a clean, dry and temperature-controlled environment), (iii) Equipment is not subjected to Customer Equipment Events, (iv) Services and Equipment are not resold or rented without Harris CapRock's prior written consent; and (v) up-to-date records and logs of the repair, maintenance, performance and condition of the Equipment are kept. Customer shall not remove or deface any label Harris CapRock may affix on the Equipment. All Equipment alterations, additions and replacements become the property of Harris CapRock. Customer shall, at no cost to Harris CapRock (i) provide the lighting, electricity, lightning protection, telecommunications connections, civil works, and inside wiring; (ii) grant or cause to be granted to Harris CapRock or its designated representative full access rights for ingress and egress at each Equipment Location, and (iii) if the Equipment Location is offshore, provide to Harris CapRock personnel or its designated representatives or subcontractors all offshore transportation from the helipad or port to and from each Equipment Location. If Customer connects its own equipment to Harris CapRock's network, Customer must ensure that such equipment is compatible with and does not harm, impair or interfere with the technical integrity of Services, Harris CapRock's network, its suppliers' networks or any other Harris CapRock services or customers.

6. Risk of Loss; Shipment. Equipment shall be delivered to Customer Ex-Works (per Incoterms 2000, as amended) at the Ex-Works Site. Customer shall bear all risk of loss or damage to the Equipment from any cause whatsoever and is responsible for obtaining and paying for insurance (or equivalent coverage in the case of self-insurance), including all risk insurance and, for trailerized units, automobile liability insurance, for full replacement value of the Equipment and damage to third parties while operating or transporting the Equipment during the Coverage Period. By executing the Agreement or using Services, Customer represents that it has, as applicable, either purchased the required insurance coverage for the Equipment or has adequate independent financial strength to bear the risk of loss or damage to Equipment. If any loss or damage to the Equipment occurs, Customer shall immediately notify Harris CapRock and Harris CapRock shall either repair or replace the damaged Equipment, at Harris CapRock's option, and Customer shall promptly pay any invoice for such costs or, in the event of a total loss, for the Equipment's full replacement value. If such loss or damage occurs, Harris CapRock shall have the option to replace Equipment or terminate the Agreement; however, no loss or damage shall relieve Customer of any obligations hereunder. Unless otherwise stated in the Agreement, Customer is responsible for providing and paying for all freight forwarder, shipping, customs, import/export and related costs for shipments of Equipment to and from Customer's specified destinations and the Ex Works Site. If the Agreement states that Harris CapRock will arrange for such services, Customer agrees to pay all such costs plus related charges at Harris CapRock Rates.

7. Personnel and Third Party Charges. Unless otherwise provided in the Agreement, Customer shall pay all costs of installation and commissioning, re-installation at another Equipment Location, maintenance, repair, and decommissioning and removal of the Equipment, including travel and standby time at Harris CapRock Rates. Harris CapRock Rates include basic standard test equipment assigned to Harris CapRock's service technicians; however, Harris CapRock will bill Customer separately for use of specialized test equipment, if required. Charges for labor shall commence from the date and time of leaving Harris CapRock's facility and shall terminate on the date and time of return

to such facility. If Customer does not provide travel, food and accommodation for Harris CapRock's personnel, Customer agrees to pay such costs at Harris CapRock Rates.

8. Payment Terms. Customer agrees that Services Charges will commence as of the "service completion date" indicated on Harris CapRock's work order for installation of the Equipment and turn up of Services and shall terminate on the date upon which the Equipment is returned to the Ex-Works Site. However, if Harris CapRock's installation, turn up of Services or performance is delayed due to Force Majeure, Customer or other causes beyond Harris CapRock's control, Harris CapRock reserves the right to invoice Customer for, and Customer agrees to pay, all Service Charges from the day the Equipment is delivered to Customer at the Ex-Works Site as well as any associated time or other cost at Harris CapRock Rates. Harris CapRock reserves the right to submit invoices on a regular basis and to submit invoices for any work or element of work following completion of such work or element of work, as Harris CapRock deems necessary in its sole discretion, including without limitation, invoicing Customer following completion of any survey, installation, mobilization and demobilization of Equipment or any other time and materials work. Customer shall pay all invoices in U.S. dollars, without offset, deduction or withholding, within thirty (30) days of date of invoice. Amounts due are considered paid when Harris CapRock receives collected funds. Invoices not paid by the due date shall accrue interest from the due date until paid at a rate equal to the lesser of 1-1/2% per month or the maximum rate allowed by Applicable Law. If Customer disputes in good faith any invoice, in whole or in part, Customer shall pay the undisputed portion by the due date and shall notify Harris CapRock in writing no less than 15 days after receipt of invoice of Customer's intention to defer payment of the disputed portion. Such notice shall include the reasons for non-payment and, in the event of a claim due, evidence to establish such claim. The parties agree to attempt, in good faith, to resolve any such claims or disputes promptly. Any such dispute shall be resolved in accordance with the dispute resolution provisions hereof.

9. Security Deposit. Harris CapRock's delivery of any Services and Equipment is expressly conditioned upon Harris CapRock's approval of Customer's creditworthiness. Harris CapRock may, at its sole discretion and at any time, require Customer to pay a security deposit to be held by Harris CapRock and applied to charges due in the event of default by Customer. Harris CapRock may require Customer to increase the amount of such deposit at any time Harris CapRock determines, in its sole discretion, that such increase is necessary to provide adequate assurance of payment.

10. Limited Warranty and Repair of Equipment.

(a) Limited Warranty of Services. Harris CapRock warrants that it will perform Services in a good and workmanlike manner consistent with applicable industry standards and practices.

(b) Repair of Equipment. Harris CapRock is not the manufacturer of any Equipment. However, Harris CapRock will pass through the original manufacturer's warranties to Customer to the extent it is able to do so. Unless otherwise specified in the Agreement, Services include parts to replace defective Equipment and on-site labor (except travel and standby labor time and third party expenses, which will be billed to Customer at Harris CapRock Rates) for maintenance and repairs to the Equipment due to defects and normal wear and tear during the Minimum Term. This repair obligation does not apply in cases in which Harris CapRock determines that the Equipment has been subjected to Customer Equipment Events.

(c) 911 and Other Emergency Services. CUSTOMER ACKNOWLEDGES THAT THE EQUIPMENT AND SERVICES PROVIDED BY HARRIS CAPROCK ARE NOT CAPABLE OF SERVICING 911 EMERGENCY CALLS OR CALLS TO ANY OTHER UNIVERSAL EMERGENCY TELEPHONE NUMBER (UETN) SUCH AS 112 IN EUROPE, AND THAT GEOGRAPHIC LOCATION AND/OR CALL-BACK NUMBER INFORMATION WILL NOT BE FORWARDED TO AN EMERGENCY CENTER OR PUBLIC SAFETY ANSWERING POINT (PSAP). THEREFORE, CUSTOMER SHOULD MAINTAIN AN ALTERNATE MEANS OF CALLING EMERGENCY SERVICES. CUSTOMER AGREES THAT HARRIS CAPROCK WILL HAVE NO LIABILITY TO CUSTOMER OR ANY THIRD PARTY FOR CUSTOMER'S OR ANY THIRD PARTY'S USE OF EQUIPMENT FOR ANY EMERGENCY SERVICES.

(d) THIS SECTION CONSTITUTES CUSTOMER'S SOLE REMEDY IN CONNECTION WITH SERVICE OR EQUIPMENT FAILURES OR DEFECTS. EXCEPT FOR THE WARRANTIES IN THIS SECTION, HARRIS CAPROCK MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

11. Force Majeure. Harris CapRock shall make reasonable efforts to meet delivery and performance dates, but Harris CapRock shall not be liable for any loss, damage, delay or failure to perform, in whole or in part, resulting from any cause beyond Harris CapRock's reasonable control (collectively, "Force Majeure"), including, but not limited to: acts of God; acts or omissions of Customer or third parties; acts of terrorism; war; explosion; accidents; fires; floods; severe weather conditions; atmospheric or topographical considerations; strikes; insurrections; riots; embargoes; delays in transportation; inability to obtain supplies; or requirements, orders or regulations of any applicable government authority

or any other civil or military authority. In the event of any such delay, Harris CapRock shall be given a reasonable extension of time to complete performance. Force Majeure shall not excuse Customer's delay in payment of, or failure to pay, any amounts due.

12. Limitation of Liability. NEITHER PARTY, NOR ANY OF ITS AFFILIATES, SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY FOR ANY INCIDENTAL, SPECIAL, PUNITIVE, CONSEQUENTIAL, EXEMPLARY OR INDIRECT DAMAGES IN CONNECTION WITH SERVICES OR THE EQUIPMENT, INCLUDING LOSS OF ACTUAL OR ANTICIPATED REVENUES OR PROFITS, OR LOSS OF USE OR BUSINESS, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE AGGREGATE LIABILITY OF HARRIS CAPROCK TO CUSTOMER SHALL BE LIMITED TO THE TOTAL AMOUNT PAID OR PAYABLE BY CUSTOMER TO HARRIS CAPROCK FOR THE SERVICE WHICH IS THE SUBJECT OF THE CLAIM FOR THE MONTH IMMEDIATELY PRECEDING THE CLAIM.

13. Confidential Information. Customer shall keep all confidential and proprietary information of Harris CapRock, including techniques, specifications, drawings, engineering data, technical designs and software provided to Customer, confidential and shall ensure that all its representatives and employees shall abide by the terms of this provision as though it were binding upon each of them. Customer shall return such data and all copies to Harris CapRock upon the earlier of Harris CapRock's request or termination or expiration of the Agreement.

14. Termination.

(a) Harris CapRock Quotations or Proposals. Any quotation or proposal made by Harris CapRock will expire 30 days after issuance unless otherwise stipulated in that quotation or proposal. Specifications, descriptions and illustrations of the Equipment are illustrative and not binding, as they may be subject to alteration, improvement or revision of design.

(b) Termination by Customer. Customer may terminate the affected Services (i) for chronic failure of such Services in accordance with the terms of any relevant Service Level Agreement, (ii) on thirty (30) days prior written notice to Harris CapRock if Harris CapRock's supplier of satellite capacity, terrestrial circuits or microwave service fails to provide the level of service required under the Agreement for any reason, and no alternate service is available within thirty (30) days following such third party's failure, or (iii) on thirty (30) days prior written notice to Harris CapRock. If Customer terminates Services, Customer agrees to timely pay Harris CapRock's invoice for (1) all outstanding charges through the date of termination, (2) an amount equal to the Service Charges accelerated for the remainder of the Minimum Term or renewal term (unless terminating pursuant to Sections 14(b)(i) or (ii)), and (3) all decommissioning costs for removal of the Equipment. The Agreement will be deemed terminated by Customer upon return of Equipment to Harris CapRock's premises. The amounts required to be paid by Customer under this subsection (b) are a genuine pre-estimate of the damages which may be sustained by Harris CapRock if such early termination occurs, and is not a penalty.

(c) Termination by Harris CapRock. Harris CapRock may immediately suspend or terminate this Agreement and Services without liability (i) if Customer defaults in any of its obligations hereunder and fails to cure such default within thirty (30) days (fifteen (15) days in the case of a payment default) following receipt of notice from Harris CapRock, but subject to Harris CapRock's right to immediately terminate Services as provided herein, (ii) if Services are used for any purpose or in any manner that violates Harris CapRock's Policies or Third Party Terms, (iii) if Harris CapRock is unable for more than thirty (30) days to perform the Services as a result of Force Majeure or (iv) if any court or arbitral order or order of any public authority or change in any Applicable Laws prevents Harris CapRock from providing Services or has a materially adverse effect on the economic benefits accruing to Harris CapRock hereunder. In the event of any such termination under this Section 14(c), Customer agrees to timely pay Harris CapRock's invoice for (1) all outstanding charges through the date of termination, (2) an amount equal to the Service Charges accelerated for the remainder of the Minimum Term or renewal term (unless terminating pursuant to Sections 14(c)(iv)), (3) all decommissioning costs for removal of the Equipment and (4) any costs and related expenses incurred by Harris CapRock in connection with such default (including third party charges, attorney's fees, court costs, and collection agency fees). The amounts required to be paid by Customer under this subsection (c) are a genuine pre-estimate of the damages which may be sustained by Harris CapRock if such early termination occurs, and is not a penalty.

(d) Termination by Either Party. Either party may immediately terminate Services at any time, with Customer being liable for all outstanding charges through the date of termination and all costs of decommissioning and removal of the Equipment, if the other party is generally unable to pay its debts as they become due or seeks protection under any bankruptcy, insolvency, receivership, trust deed, creditors arrangement, composition or comparable proceeding, or if any such proceeding is instituted against the other party and not dismissed within sixty (60) days. A Customer insolvency shall be considered a default pursuant to Section 14(c)(i), but without the requirement of notice and cure period.

(e) Return of Equipment. On the expiration or termination of the Minimum Term for any reason, Customer shall (i) promptly coordinate with Harris CapRock for de-installation and removal of the Equipment by Harris CapRock and for the return of such Equipment at Customer's risk and expense to the location designated by Harris CapRock, (ii) immediately cease use of Services and Equipment, and (iii) pay Harris CapRock's invoice for all charges payable in accordance with these Terms or the Agreement. Equipment shall be in the same condition, fair wear and tear expected, as when received by Customer. Customer shall pay for any repair or alterations necessary to restore the Equipment to such condition.

15. Remedies. The remedies provided under these Terms or the Agreement are cumulative and in addition to any other rights or remedies either Party may have at law or in equity or under these Terms or the Agreement. Subject to Section 12 hereof, nothing contained in these Terms or the Agreement, including dispute resolution, shall preclude either party from (i) enforcing its rights or remedies at law or in equity against the other party or its property to recover its damages for any breach under these Terms or the Agreement and/or (ii) seeking injunctive relief, if necessary, in order to prevent the other from willfully or intentionally breaching its obligations under these Terms or the Agreement or to compel the other to perform its obligations hereunder.

16. Compliance with Laws. Each party shall obtain and maintain all required licenses, titles, registrations, authorizations and permits necessary for its operations, provision and receipt of Services, transmission and receipt of signals, use of the Equipment, or as otherwise necessary for the performance of its obligations under these Terms and the Agreement. Notwithstanding the foregoing, unless otherwise stated in the Agreement, Customer shall (i) obtain and maintain all licenses, permits, temporary permits and authorizations required by Applicable Laws for its receipt of Services, transmission and receipt of signals, and use of the Equipment, including, but not limited to, obtaining any required VSAT license from the pertinent regulatory body to receive Services at the Equipment Location, although Harris CapRock may offer assistance in obtaining such license at a cost to be specified to Customer, (ii) obtain all necessary permits for ingress and egress and transportation, on private or public land, necessary for Harris CapRock's personnel to access the Equipment for the installation, operation, maintenance, repair and removal of the Equipment; and (iii) if Services are being provided outside the United States, obtain all required and applicable permits, licenses, visas and other immigration requirements and customs clearances for the Equipment, Services and Harris CapRock's personnel. In addition, unless otherwise stated in the Agreement, Customer shall be responsible for the importation of the Equipment and subsequent exportation after the expiration of the Minimum Term or other termination of Services, and for all tariffs, duties, taxes and fees relating to such importation and exportation. Furthermore, to the extent applicable, each party is responsible for complying with all Applicable Laws, including without limitation, those relating to earth stations on vessels and the import/export/re-export and operation of Equipment. Customer acknowledges and agrees that, in order to comply with Applicable Laws, Harris CapRock may be required, without notice to Customer, to respond to and cooperate with requests, inquiries and/or investigations from governmental authorities concerning Customer and/or use of Services at an Equipment Location. Each party shall indemnify, defend and hold the other party harmless from any Losses arising from its failure to comply with this Section.

17. Indemnification. Each party agrees to release, defend, indemnify and hold harmless the other party and its subsidiaries and affiliates and each of their respective directors, officers, employees and agents (collectively, the "Indemnified Party") from and against any and all Losses for or on account of bodily injury, death, or damage to, loss of use of, or loss of property of the indemnifying party, its directors, officers, employees, contractors or subcontractors, arising out of or relating to these Terms or the Agreement; provided, however, that Harris CapRock's obligations in this Section shall not include, and Customer's obligations in this Section shall include, the Equipment for which Customer has specifically assumed the risk of loss. Notwithstanding any other provision of these Terms or the Agreement, Customer shall be responsible for and shall release, defend, indemnify and hold harmless the Harris CapRock Indemnified Parties from and against any Losses arising out of Customer's violation or alleged violation of Harris CapRock's Policies or the Third Party Terms or arising out of or relating to any claims brought by any third party in connection with Services or Equipment or the transition of services to Harris CapRock, regardless of whether such third party was authorized or unauthorized to use Services. THE INDEMNITIES CONTAINED HEREIN SHALL APPLY EVEN IF CAUSED, IN WHOLE OR IN PART, BY THE JOINT, SOLE, OR CONCURRENT NEGLIGENCE, GROSS NEGLIGENCE, WILLFUL MISCONDUCT, STRICT LIABILITY OR OTHER FAULT, WHETHER ACTIVE OR PASSIVE, OF ANY PERSON OR ENTITY, INCLUDING THE INDEMNIFIED PARTY.

18. Assignment. Customer shall not, directly or indirectly, assign, sell, transfer (by operation of law, merger or consolidation) or otherwise dispose of any interest in the Agreement, the Equipment or Services without the prior express written consent of Harris CapRock. Any assignment in contravention of this Section shall be null and void.

19. Governing Law; Dispute Resolution. The laws of the State of Texas shall govern without regard to its conflicts of law principles. If Customer is a government entity or government owned or controlled entity, it waives any right of sovereign immunity. The parties agree to use

reasonable efforts to resolve any claims or disputes arising from or relating to the Agreement promptly through good faith negotiations. If the negotiations do not result in a mutually acceptable prompt resolution, then (i) unless otherwise provided in (ii) below, either party may bring an action against the other party in the federal or state courts of Harris County, Texas, and each party hereby submits to the sole and exclusive personal jurisdiction of such courts, agrees that venue properly lies in such courts, and waives any claim that any such action should be dismissed on grounds of inconvenient forum or lack of personal jurisdiction or that any such action should be transferred to any court outside of such courts (service of process upon a party may be effected by delivery, verified by a receipt signed by a representative of the party served, to the address for notices to that party set forth in the Agreement) or (ii) if Customer is a non-U.S. entity and the location where Services are being provided is located outside the U.S., then upon notice by either party to the other, all disputes or claims shall be submitted to and settled by final, binding and exclusive arbitration in Harris County, State of Texas, under the Commercial Arbitration Rules of the American Arbitration Association then in effect. Any arbitration shall be conducted in the English language. The prevailing party may enter any arbitral award or decision as a judgment in any court of competent jurisdiction and any such award or decision shall be enforceable by such court. The non-prevailing party in any arbitration shall bear the fees and expenses of the arbitrator and the arbitration. Any arbitration does not limit or affect the right of either Party to seek from any court having jurisdiction any interim, interlocutory, or provisional relief that is necessary to protect the rights or property of that Party. The parties expressly agree that the terms of the United Nations Convention on Contracts for the International Sale of Goods shall not apply to these Terms.

20. Notice. Any written notice or communication required to be given by either party hereunder may be delivered or sent to the attention of the contact name and address specified in the Agreement by courier service (which is deemed served when delivered) or fax (which is deemed served on the business date it was received with written confirmation) or by United States certified mail, postage prepaid, return receipt requested or postage prepaid United States Express Mail (which are deemed served the next business day after posting). Email notice is not sufficient.

21. Miscellaneous. Customer agrees that Harris CapRock may include Customer's name in its customer listings. Harris CapRock is an independent contractor of Customer, and nothing contained in these Terms or the Agreement is intended to create the relationship of principal and agent, partners or joint venturers, or any other fiduciary relationship between Harris CapRock and Customer. If any provision in these Terms or the Agreement is determined to be inconsistent with or contrary to any Applicable Law, with such determination being made by arbitrator order or upon mutual agreement of the Parties, then such provision shall be fully severable and shall be deemed to be modified to the extent required to comply with Applicable Law, and as so modified said provision and these Terms and the Agreement shall continue in full force and effect. The failure of either party to enforce any provision of these Terms or the Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and enforcing the other party's obligations. The provisions of these Terms or of the Agreement which by their sense and context are meant to survive the expiration, compel strict compliance with every provision of these Terms or the Agreement, and the prevailing party shall be entitled to recover reasonable attorneys' fees incurred in assignment or other termination of these Terms or the Agreement shall so survive.
